Please respond to the New Jersey Office

April 7, 2017

To Whom It May Concern,

The purpose of this letter is to relay my firm's excellent experience with Awesome Office Furniture. Awesome Office has assisted us with furnishing our original office in 2011 and our current office upon our move last year. Both Tony and Liz were delightful to interact with. Tony was especially helpful in working with us on selecting all of our furniture for our new office, complete with extensive follow up on styles, colors and manufacturers. When we had some issues with the finish on our large wood and granite conference table, Tony hung in there with us and I never doubted that he would see it through to a successful conclusion, which he did. In summary, we were extremely happy with the service, quality and devotion to customer satisfaction provided to us by Awesome Office Furniture. Thank you.

Very truly yours,

Robert S. Dowd, Jr.
